

## **IMAGINED REALITIES**

**Below are the instructions for taking part in the Imagined Realities project:**

Please could you write approximately 3 or 4 sentences to describe a space or place that means something to you. Do not name it.

I am making drawings and paintings of the space that I interpret from your words.

Please don't ask me for any clarification, as your understanding the instructions in a specific way is not important.

Please email the description to me at [kproudman@virginmedia.com](mailto:kproudman@virginmedia.com).

Many thanks,  
Kate Proudman
